This afternoon at 1:25 o'clock the three Wheeling singing societies will leave for Pittsburgh, where they will participate in the national saengerfest, which is to be held there all of this week. The local singers have made great preparations for the event and will go up in style and be entertained royally during their stay in the "Smoky City." The Mozart, Beethoven and Arion societies will leave over the Pan-Handle and will all wear the same style of headgear as a distinguishing uniform, a light colored "crush" hat. About ninety of the active singers will go up. They have been rehearsing for some time on the music they intend to sing.

The Mozart society will take up about thirty members this afternoon, the rest staying over until to-morrow on account of the "Battles of Our Nation" being presented at the Mozart park, which many of the members wish to see. Those going to-day are:

These singers, accompanied by other members of the society, will go to Pittsburgh in a special car on the 2:16 train on the Cleveland & Pittsburgh railroad this afternoon. The banners and decorations will be put on the car at Bellaire this morning.

Besides the active members large numbers of the passive members of each society will go up and take part in the saengerfest, the majority of whom will leave Tuesday night or Wednesday morning. A large delegation of ladies will also go up with the singers and by their presence lend to the enjoyment of the trip.

The Mozart singers will be quartered on Mount Washington. The Beethoven will be quartered in Allegheny on Ohio street, as will be the Martin's Ferry Maennerchor. The Arion has engaged rooms at the Central hotel on Smithfield street.

The big day will be Thursday, when the immense parade takes place, and to see this feature of the week the largest crowd of Wheelingites will go up Thursday morning.

The Wheeling societies will have something on hand every night, invitations having been extended to them for number of banquets and entertainments. To-night the Mozart and Beethoven societies will be entertained at a banquet tendered them by the Mount Washington Maennerchor society at its immense hall. For this occasion the soloists will be Messrs. Charles Zulauf and John Dixon, both of whom will make a favorable impression without doubt.

BISHOP PENICK PREACHES

To Congregations in St. Luke's and St. Matthew's Churches Here.

Bishop Penick, the missionary bishop of the I. O. E. Episcopal church, spent yesterday in this city, having come here from the Protestant Episcopal council held at Moundsville. In the morning he preached a very eloquent sermon at St. Luke's church, on the island, and last night delivered an address at St. Matthew's. Both services were well attended and the bishop's remarks were listened to attentively by the congregations.

At the evening service, the bishop took his text from St. Luke, fifteenth chapter and sixth verse, "Rejoice with Me; for I have found my sheep, which was lost." The bishop drew a beautiful picture, illustrated the text and showed how Jesus rejoiced at the rescuing of a sinner, and how He called upon all of His flock to rejoice with Him.

Special music had been rehearsed by the St. Matthew's choir and the service was most impressive throughout. Bishop Penick was the guest of Rev. R. Rush Swope during his stay here and will leave to-day to resume his missionary duties.

TO THE KING'S DAUGHTERS.

Services Held at the Fourth Street Church Last Night.

Last evening the services at the Fourth Street M. E. church were of a special character, the sermon by the pastor, Dr. Riker, being to the King's Daughters. The Daughters of the various Protestant churches of the city were in attendance in large numbers. The choir gave several selections, the anthem, "The Home Light," being especially fine.

In opening Dr. Riker spoke of the formation, on a very modest and entirely unassuming scale, of the first society of the King's Daughters some ten years ago. Several women who were working for a practicable scheme for larger service of the Great King, started the organization, but did not dream of the proportions it would assume in the short space of time embraced in the past decade. With "Faith, Hope and Love" as their watchword they labored earnestly and well and the organization met with such favor that it now has over 400,000 members. Their purple ribbon and the Maltese cross with "I. H. N."—"In His Name"—upon it, are now to be seen throughout the land.

K. of P. services.

Next Sunday morning the members of Black Prince Lodge, Ohio Valley Lodge, Baltimore Lodge, K. of P., and Cour De Lion and Bernard Shanley divisions, Uniform Rank K. of P., will meet at their respective lodge rooms at 9:30 and march to the Thomson M. E. church, on the island, where Rev. R. D. T. Buckley will deliver a special sermon to them. It is customary once a year for all the lodges to unite and attend services. About 600 Knights will turn out next Sunday and the services promise to be very interesting.

Special Services.

The Sons of the Revolution will attend service at St. Matthew's P. E. church next Sunday evening, when an appropriate sermon will be delivered by the rector, Rev. R. Rush Swope, D. D.

Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. IF it required an annual outlay of \$100 to insure a family against any serious consequences from an attack of bowel complaint during the year there are many who would feel that their duty to their families would be to risk their lives, and those of their family for such an amount. Any one can get this insurance for 25 cents, that being the price of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. In almost every neighborhood some one has died from an attack of bowel complaint before medicine could be procured or a physician summoned. One of two doses of this remedy will cure any ordinary case. It never fails. Can you afford to take the risk for so small an amount?

TO-NIGHT'S THE NIGHT

For the Magnificent Musical Spectacle, "Battles of Our Nation."

SENORITA SARACCO.

To-night if the weather is fair the Mozart park will contain the largest crowd that ever passed through its gates and unless all indications fail, the electric cars will have all they can do to transport the people who will rush to see what will undoubtedly be the grandest and most spectacular and historical production ever seen in Wheeling. "The Battles of Our Nation" has made a grand hit every where and has created the greatest enthusiasm wherever it has been seen. In Pittsburgh last week thousands of spectators cheered the grand production through, and the press of that city could not say enough in its praise.

The immense company will arrive this morning by special train over the Baltimore & Ohio and the heavy scenery and effects will be removed at once to the park and placed in position for the performance to-night. Everything is in readiness and the show will be given in its entirety.

The seats for to-night's performance will be on sale at House's music store until noon to-day.
